

What is Sleepio?

Sleepio gives patients instant access to digital CBT for insomnia

Created by Prof. Colin Espie, based on his 30+ year clinical and research career

Teaches proven CBT techniques to help patients overcome insomnia, as a long term solution

Rigorously tested in 12 Randomised Controlled Trials, CE-marked, and referenced by NICE as a first-line recommended treatment for insomnia

Trusted by the NHS and over 150,000 patients in the UK

How to Determine if Someone Would Benefit from Sleepio

Sleepio is suitable for most people who are experiencing problems with their sleep

However, it's important that patients show evidence of:

Engagement

Conversational
English

Computer /
Online Access

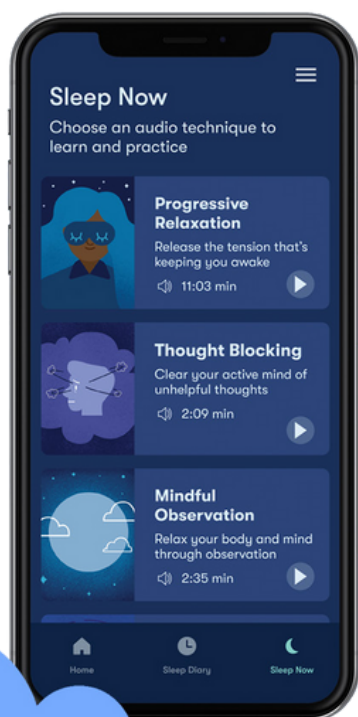

Age 18+

Explaining Sleepio

Sleepio is a digital programme that helps you understand why sleepless nights happen, what makes them worse, and how to reduce them for good. Through six weekly 20-minute sessions, Sleepio teaches you effective techniques to get better sleep and have better days — all from the privacy of your own phone, at no cost. Over 150,000 people have used Sleepio in the UK.
